

Clubs Day a Terrific Success!

Clubs Day was a great day! Fields were large with quality horses and jockeys.

Trainer of the day was Luke Pepper with a double. Riders of the day were Simon Miller and Brodie Loy with Doubles.

Also over 70 people attended our inaugural Biggest Morning Tea - raising money for Cancer Council NSW. It was deemed a huge success and lots of people who had never visited our race course said they were won over by the atmosphere and the beauty out here.

Visitors from Melbourne, Sydney & locals were all keen to be part of the day! Stay tuned for details of the next one

Thanks to South Coast Photoboosts, Nest of Pambula, Sapphire Waters Motor Inn, 3 Wise Mums Cobargo & Tathra Beachside for their generous prize donations. Also to Pambula Classic Cars for bringing their beautiful cars out! They looked phenomenal!
