Straight from the horses mouth...

Good morning members,

Whats been going on behind the scenes at SCTC... also known of 'The Jewel of Country Racing'? As usual, its go go go out here. Update below:

- Boxing Day Races have been traded for a TAB meet in February. There has been declining trend of horses in each race over the past few years on Boxing Day as a non-TAB meet and the shift to February 15th will renew focus on growing the racing aspect of the club. The club's January 2 race meet will still provide a gratifying social catch-up for holiday-makers and locals alike.

A secondary concern of Boxing Day Races was the financial strain of holding a public holiday meeting with the Christmas period, being particularly challenging to coordinate. However, the switch to an additional TAB card will boost consistency for trainers and jockeys who travel to take part.

The offer was made by Racing NSW to trade to the Saturday meet with full TAB backing, so it has now been agreed and it will run on February 15, which is two weeks after our big two-day Bega Carnival. it fits in with the program to run that way. The extra meet will become the Pambula Cup race day.

As a race club, we are trying to build continuity between the Moruya and SCTC. Moruya have 13 meetings and we have 12, so with 25 meets between the two, someone racing in the area can compete about every two weeks. The decision is all about the growth of racing in the south east.

Tickets \$100 | Only 100 sold
Win This Space | Raffle drawn 1st July

100's Club

Our inaugural 100's club has begun and we are delighted to let you know we have already sold 68 of the 100 tickets. The prize includes a years advertising above the winning post for a YEAR. Tickets \$100, so please pass the information on anyway you can. Help us get to 100 SOLD!!!
