## Growth of the Sapphire Coast Turf Clubs Bega Cheese Two Day Cup Carnival. February 1st & 2nd 2020.

In a Major announcement today by Racing NSW our Bega Cheese Bega Cup Carnival Race Day will see an injection of a further \$70k in prize money. Prize money cup day 2019 in total was \$285k and in 2020 has gone to \$355k based on the racing NSW announcement with a further \$5k on the Cup taking the total prize money on Cup Day to \$360k. The Two Day Carnival 2020 now exceeds half a million dollars.

The growth of the two day carnival has been nothing short of phenomenal. During its inception in 2014 the combined prize money on offer over the two days was \$200k and to think only seven years later we will see an increase of over \$300k is astounding, yet testament to the success of the Carnival Weekend. 2020 will be a Carnival not to be missed.
